TSI Tempo™ Program

One Solution, Multiple Benefits

What's included:

- PortaCount™ Fit Tester 8048 or 8040, owned by TSI
- Yearly Clean and Calibration with proactive device exchange
 - Calibration Certificate
 - Shipping from/to TSI
 - Accessories and re-supply of consumables each year
- Repairs, if needed
- Firmware and software updates

Zero Downtime

No operational interruptions by proactively exchanging your device before its calibration due date

Budget Flexibility

No large upfront investment. Shift from capital expense budget to operational expense budget, freeing up cash

Minimized Risks

No risk of overdue calibrations, unexpected repair costs, or technology obsolescence.

Improved Workflow

Reduced operational hassle, higher efficiency within the organization

Simplified Process

No device management and tracking, predictable costs, and reduced administrative burden

Full Coverage Service

Yearly calibration with device exchange, repair coverage, and yearly re-supply of consumables.

Peace of Mind

Avoid unexpected cost and enjoy worry-free equipment management

Knowledge Beyond Measure.
