### REACH Declaration – Substances of Very High Concern

TSI Incorporated (“TSI”) and its affiliates and divisions announce our commitment to comply with all applicable requirements regarding the European Union Regulation (EC 1907/2006) concerning (REACH) the Registration, Evaluation, Authorization and Restriction of Chemicals.

Article 33 of REACH requires TSI to provide customers with sufficient information on Substances of Very High Concern (SVHC) contained in Articles at concentrations above 0.1% weight by weight (w/w) to allow for the safe use of the Article including, as a minimum, the name of the substance. The Candidate List of SVHC as identified in Article 59 (1) Annex XIV, includes substances published by the European Chemical Agency (ECHA) at: <https://echa.europa.eu/home>.

For REACH SVHC inquiries relating to finished goods, please feel free to contact TSI directly at [ryan.carlson@tsi.com](mailto:ryan.carlson@tsi.com)

TSI continues to actively evaluate our supply chain regarding updates to the SVHC list. TSI is committed to compliance with government regulations and industry standards for the protection of the environment as well as continually striving to meet the needs of our customers.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Daniel G. Happe'.
